Happy early Valentine's Day! All of a sudden it's February. Time is just flying by. We have been busy going to our grandkids sporting events, and playing with the 2 little ones...life is wonderful. The two older kids are in 2 different school districts so it's quite a bit of running....but oh so worth the time. Can't think of anything better than spending time with family. Game night with friends runs a close second though. Ha ha

The weather hasn't really been cooperating for Steve's ice fishing but he did get out a few times and caught some too.

My mind is already busy thinking of my gardens. I have a new area to landscape with rocks and plants, besides fixing up some of my older areas that have gotten a little out of shape. Never a dull moment at the Redmann home!

We are really enjoying having 2 days in a row off.

Membership News

As I mentioned in the last newsletter, we have NO extra birds to sell this season. All 5000 have been spoken for. What a season so far!

Remember, all "membership" birds have a \$2/bird release fee and March will be \$3. If you pre-purchased extra birds, they do not have those fees.

Any member may schedule a field Wednesday—Friday to scratch hunt if you like. Those extra birds are just \$10 each + tax. Weekends are saved just for members to release birds.

We have been blessed with a nice winter....so far! Here it is February and this coming week may hit 50! Amazing. It makes me a little nervous wondering what is coming, because you know winter isn't over yet!

Steve told me this morning that since the snow is melting that the cover is looking pretty good for this

time of year. Lucky you...but again, PLEASE don't wait until March to hunt as conditions probably won't be as nice as they are now.

PLEASE GET YOURSELF A PAIR OF THOSE "GRIPPERS" THAT FIT ON YOUR BOOTS. IT MAY SAVE YOU FROM A NASTY FALL.

If any of you are receiving this letter by "snail mail", we would appreciate you letting us use e-mail instead. Saves paper and postage. Drop me a line to give me your e-mail. Thank you.

Oh, one more thing. I will be sending out renewals the 1st part of April. Our supplier informed us that there will be a bird cost increase and we will only raise the amount they raise. We are expecting \$1—\$1.50 per bird. Watch for the renewal and please don't wait until fall to let us know how many birds you will want so that we can order enough on our contract. Thank you.

Hope to See you all soon.

Please plan ahead for our annual CP fundraiser sporting clay shoot **Feb. 24**. The CP center in Green Bay is a wonderful facility. Or pay your round ahead of time and shoot at a later date.

Two men went bear hunting. While one stayed in the cabin, the other went out looking for a bear. He soon found a huge bear, shot at it but only wounded it.

The enraged bear charged toward him, he dropped his rifle and started running for the cabin as fast as he could. He ran pretty fast but the bear was just a little faster and gained on him with every step.

Just as he reached the open cabin door, he tripped and fell flat. Too close behind to stop, the bear tripped over him and went rolling into the cabin.

The man jumped up, closed the cabin door and yelled to his friend inside, "You skin this one while I go and get another!"
